

CBM GOLDEN JUBILEE SYMPOSIUM FIFTY YEARS OF DISCOVERY

29 & 30 September 2025
Ramón Areces auditorium
c/ Nicolás Cabrera, 1
28049 - UAM campus

Master of ceremonies: **Nuño Domínguez (Materia, El País)**

29 SEPTEMBER 2025

- 11:45 - 12:00 **Arrival and official photograph**
- 12:00 - 12:45 **Institutional ceremony**
- 13:00 **Cocktail lunch**

Scientific Session I

- 15:30 - 16:00 **Michael Hall**
Biozentrum, Universität Basel, Switzerland
mTOR signalling in growth, metabolism and disease
- 16:00 - 16:30 **Pascale Cossart**
Institut Pasteur, Paris, France
***How we raised a bacterium to the rank of a model system:
The Listeria paradigm***
- 16:30 - 17:00 **Coffee break**
- 17:00 - 18:30 **Round table – The future of Molecular Biology in Europe**
Chaired by Patricia Fernández de Lis (Materia, El País)

Fiona Watt, EMBO director, Heidelberg, Germany
Ángela Nieto, The Institute for Neurosciences, Alicante, Spain
Aurelio Hidalgo, CBM, Madrid, Spain
Laura Formentini, CBM, Madrid, Spain
Emilio Lecona, CBM, Madrid, Spain
- 20:00 **Dinner**
By invitation only
